## MESSAGE FROM YOUR PRINCIPAL

Hello Global Community,  
Women's History Month is a dedicated month to reflect on the often-overlooked contributions of women to United States history. Women's History Month all began with one single day in 1908 in New York City when thousands of women united and marched for better labor laws, conditions, and the right to vote. Let us recognize those women that have impacted our everyday lives, not just this month, but every time we can.
