

Urban Assembly School for Global Commerce

OCTOBER NEWSLETTER

MESSAGE FROM YOUR PRINCIPAL

Hello Global Community,

As we are coming to a conclusion of Hispanic Heritage Month, let's take the time to recognize and celebrate the many contributions, diverse cultures, and extensive histories of the American Latino community. During the month of October, Breast Cancer Awareness month, let's continue to take the time to increase awareness and spread knowledge of those who are championing and fighting for scientific advances.

- Principal Vizcaino
